## President's Report

Over the past few years, it had been amazing to witness and write about how the sport's passionate and faithful have changed the running landscape of our county.

- \*There are three racing series that offer everything from cash to age-graded awards: Space Coast Runners' Runner of the Year; Running Zone Race Series and Titusville Race Series.
- \* There are multiple coaches, clinics and camps to help us get faster, stronger, better.
- \* The number of races in our county has more than doubled.
- \* There are multiple group fun runs throughout the entire county—from St. John to Palm Bay
- \* The Space Coast Marathon and Half-Marathon has grown in participation by more than 400 percent in the past seven years and now brings close to \$1M in revenue to Brevard County.
- \* Increased focus on community fitness—implementing walking series this year & the addition of the Weight Watchers Walk and other 2 mile distance events.
- \*Contributions to Special Olympics; Scholarships; Juvenile Diabetes Camp; Space Walk of fame; Team in Training.
- \*Loss of Kristen Dea and Bill Dillard
- \* 2011-2012 has lots to offer
  - \*Race Series-10 races/2 drops
  - \*Partnership of SCR series, RZ series, and Titusville series offering race discounts and opportunities to expand community fitness. End of the race season will be championship showdown.....
  - \*July kick off membership drive at Pizza Gallery in Viera—great opportunity to renew membership, win prizes, and benefit from race discounts.
- \*Special thanks to all of our volunteers—special thanks to Matt Mahoney—Race Calendar and Bob Rall—Newsletter; and Ron Hoar and the Space Coast Running Report on Windover Farms Radio 94.1 FM
