

## 2001-2002 SCR Runner of the Year Results

Runners have to compete in 5 or more races to be eligible for awards. The top 10 overall get 110, 90, 80, 70, ..., down to 10 points. The top 10 in each age group get 11, 9, 8, 7, ..., down to 1 point.

Your age on the day of the first race determines your age group. You must be a member of SCR on this day. If you join after the first race and before Dec. 31, you are eligible for races after Jan. 1 only.

Ages 0-14 earn points for 5k only. Awards are given for top 3 M/F, top masters M/F, and top half of each 5 year age group (0-9 to 70+).

results are made possible by the hard work of Gary Castner and Patti Sponsler.
